## FARM SERVICES INC. - OVER 100 YEARS OF COMBINED EXPERIENCE

The success of every business, large or small, is dependent upon a combined effort of its employees and suppliers. Farm Services Inc. strives to supply our customers with the knowledge and experience needed to keep the irrigation aspect of your farm running smoothly, helping you to yield a successful crop.

We have a fully stocked parts store with all your irrigation needs. From PVC pipe, pipe fittings, electrical supplies, miles of wire in a multitude of sizes, gaskets, aluminum pipe, center pivot electrical and structural repair parts, FSI has it here. We also stock a line of tillage parts, ag bearings, roller chain and sprockets, Banjo & small pipe fittings, as well as driveline components to keep your equipment rolling.

We have access to an extensive pool of knowledge and experience to understand our customers' needs through the skills and background of our staff and the equipment needed to get the job done. *(Continued on page 2)*

## OVER 100 YEARS OF COMBINED EXPERIENCE (CONTINUED)

Office Staff

### OFFICE STAFF

General manager Jason Preston has worked with FSI for over 36 years, first building systems in the field, then moving to the service aspect and finally the design and sales end of our business. Jason still works in the field during the busy season working through electrical projects or handling service calls.

Allison Rodriguez came to work at FSI last May first working as our Store Manager then moving into the role of Business Manager. She has been employed in different part-time functions over the years as an Office Assistant, Service Tech Assistant and Combine Operator. She also spent many days in her youth riding around with her dad doing pivot service and running combines.

Dawn Roszell spent time in the manufacturing business before coming to work at FSI 11 years ago, first for a clerical intern and now holds the role of Office Manager.

### PARTS STORE STAFF

Davey Steinman, our Store Manager, started working on our build crew in 2010 right after graduating high school. He also worked as assistant in our parts department and has motorsports parts and service experience.

Our Assistant Parts Store Manager Pat Stratton grew up on a local bean and grain farm, worked for a local potato farm for 25+ years, spent a number of years behind the counter of a local farm equipment company and worked in the wood chipper manufacturing line before coming to FSI.

### SHOP STAFF

Mike Clouse, our Shop Specialist, has been with us since 2018. He brings over 30 years of experience in fabrication, manufacturing and equipment maintenance. Our Shop Assistant, Jack Evans has over 30 combined years of experience in farming and has worked for FSI since 1999.

### BUILD CREW

Our Build Crew Leader, Tyler House, started working at Farm Services Inc. in 2016. Tyler started out as a member of our build crew fresh out of high school. Daniel Steinman and Charles Petersen are also an integral part of our build crew.

### SERVICE TECHS

Our Service Techs include Jason Preston, Carl Wrisley II, Andrew Preston and Eric Lipp. Jason, as stated previously has an impressive 36 years of experience in the irrigation business. Carl came from a long, extensive farming background before coming to work at FSI in 2012. Andrew is no stranger to the irrigation business. He spent many days in his youth accompanying his father Jason on service calls around the area. Eric our newest Service Tech, brings with him 13 years of truck driving experience, including experience in diesel mechanics and electrical.

It's not just the time at FSI but the experience all these people bring to our business that makes Farm Services Inc. what it is, YOUR BEST, MOST
